

California Code of Regulations

Section 2068.5 - Postsecondary Education and Practical Experience As Equivalent Curriculum.

In lieu of a two year curriculum in animal health technology, completion of a combination of practical experience and education in compliance with the following criteria is deemed to be the equivalent thereof as determined by the board pursuant to Section 4841.5 of the code:

(a) The education shall consist of a total of 20 semester units, 30 quarter units, or 300 hours of instruction. The education shall be provided by a postsecondary academic institution or a qualified instructor as defined by Section 2068.5(e). The education shall be accumulated in the fundamentals and principles of all of the following subjects:

(1) Dental prophylaxis and extraction.

(2) Anesthetic instrumentation, induction and monitoring.

(3) Surgical nursing and assisting, including instrumentation, suturing techniques, and application of casts and splints.

(4) Radiography and radiation safety.

(5) Diseases and nursing of animals, including zoonotic diseases and emergency veterinary care.

(b) The education shall include instruction in chemistry, mathematics, biology, microbiology, anatomy and physiology, and medical terminology, or these subjects may be obtained as separate courses.

(c) All educational requirements in subsection (a) shall have been completed by the applicant within five (5) years prior to the date of the examination for registration as a registered veterinary technician.

(d) Interactive distance-learning shall be accepted if the course meets all the criteria listed in this section and the candidate achieves a documented passing score on the course final examination.

(e) The candidate shall provide the board with a syllabus or an outline for each course. The candidate shall provide documentation of attendance for each course in the form of one of the following:

(1) a certificate of attendance,

(2) an official transcript, or

(3) a letter on official stationery signed by the course instructor documenting that the candidate attended a particular course.

(f)(1) In order for education to be approved for qualification under Section 2068.5, the instructor must meet at least two of the following minimum requirements:

(A) A license, registration, or certificate in an area related to the subject matter of the course. The license, registration, or certificate shall be current, valid, and free from restrictions due to disciplinary action by this board or any other health care regulatory agency;

(B) A masters or higher degree from an educational institution in an area related to the subject matter of the course;

(C) Training, certification, or experience in teaching the subject matter of the course; or

(D) At least two years experience in an area related to the subject matter of the course.

(2) The instructor shall provide each participant with a course syllabus or detailed outline which includes a description of the material covered.

(g) The practical experience shall consist of thirty-six (36) months of experience (4,680 hours) under the direct supervision of a California-licensed veterinarian who shall attest to the completion of that experience at the time the application is made to the board for the registered veterinary technician examination. This experience shall have been completed by the applicant within five (5) years prior to the date of the examination for registration as a registered veterinary technician.

(h) The practical experience required in subsection (e) shall have provided the applicant with knowledge, skills, and abilities in the areas of communication with clients, patient examinations, emergency procedures, laboratory procedures, diagnostic imaging, surgical assisting, anesthesia, animal nursing, nutrition, dentistry, animal behavior, and pharmacology. The supervising veterinarian(s) shall complete a check list attesting to proficiency in specific skill areas within the preceding categories.
