

California Code of Regulations

2068.6 - Practical Experience Out of State Registration As Equivalent Curriculum.

In lieu of a two-year curriculum in registered veterinary technology, an applicant shall be eligible for the registered veterinary technician examination provided such applicant meets the following requirements:

(a) The applicant is licensed, certified, or registered as a registered veterinary technician in one or more states in which the board has determined that he or she has taken a licensing examination(s) equivalent to the written examination last given in California and has achieved a score on the examination(s) at least equal to the score required to pass the California examination.

(b) The applicant has obtained 36 months (4,680 hours) of practical experience under the direct supervision of a licensed veterinarian.

(c) The board determines that no disciplinary action has been taken against the applicant by any public agency concerned with the practice of animal health care and that the applicant has not been the subject of adverse civil or criminal judgments resulting from the practice of animal health care which the board determines constitutes evidence of a pattern of incompetency or negligence.
