Dear Dan:

I am writing to inform you of my intention to join the California Equine Veterinary Medical Association (CEVMA). I wish to have my representation in the California Veterinary Medical Association House of Delegates (HOD) transferred from my local veterinary association to CEVMA. I certify that I am a member in good standing of the CVMA.

I understand that the CEVMA must have at least 20 CVMA members in order for it to maintain its representation in the CVMA House of Delegates. I also understand that I can maintain my membership in my local veterinary association; however, I will no longer be counted by CVMA in that association for purposes of representation in the CVMA HOD.

Thank you for your consideration of this request.

Sincerely,
