We offer veterinary students the opportunity to gain hands-on experience in a veterinary hospital setting over the summer at two hospitals (approximately 8 miles apart). Students will work alongside veterinarians, technicians, and assistants to provide care for canine and feline patients. Applicants should be prepared to work 8- or 10-hour shifts, with availability for any shift between 6:30 AM – 9:00 PM (Monday–Friday) and 7:00 AM – 7:00 PM on weekends. Schedules are posted four weeks in advance and will include a minimum of two consecutive days off. Shift assignments will be based on each student's current experience level. During this program, students will have the opportunity to participate in weekly medicine and surgery mentorship sessions, attend seminars, and observe or assist with various procedures and surgeries weekly. Additionally, they will develop skills in physical examination techniques, lab work interpretation, client communication, and radiology interpretation. **These positions are filled quickly, and we have limited openings. Please apply or express your interest before 5/15/2025.**
